### **BOM Meeting April 2018**

- New taps needed in extension as taps installed are not turning off and there is an issue with wasting water.
- Board Members discussed school Child Risk Assessment. Board ratified the risk assessment.
- Revised School Safety Statement ratified.
- Revised Administration of Medicines policy ratified.
- New policy on Intimate Care and Toileting ratified. This policy would be shared with parents of new junior infants for September and every year following would form part of enrolment documents.
- Sponsored Walk Sunday 17<sup>th</sup> June
- Minister Richard Briton will visit the school on Friday 4<sup>th</sup> May to view new extension.
- Child Protection/Anti- Bullying: Principal's Report to Board minuted.
